Joe Laura (#1238)

From time to time articles about the use of the Territory of Hawaii "TH" perfin (pattern T47 from *The Catalog of United States Perfins* have appeared in *The Perfins Bulletin*. On the following pages are illustration of eight covers used by various departments in Hawaii. I have additional covers showing departmental usage in my collection. This perfin pattern by rights should be listed in *Scots Catalogue*. It is genuine official use perfin created for use in all territorial departments.

Note: Several covers have been photographically cropped to permit them to be shown on these pages.
